1. INTRODUCTION

The Company had on 30 June 2022, obtained the Shareholder's Mandate for the Group to enter into RRPTs, in the ordinary course of business, of revenue or trading nature in connection with Section 10.09, Part E of Chapter 10 and Practice Note 12 of the Listing Requirements.

The said Shareholder's Mandate for RRPTs shall lapse at the conclusion of the Company's forthcoming Fifty-Fourth Annual General Meeting ("AGM") ("54th AGM") unless its renewal is obtained from the Shareholders at the AGM.

The Board proposes to seek the approval of the shareholders for the Proposed Shareholders' Mandate for the Group to enter into transactions set out in section 3.4 below, in its normal course of business and on terms not more favourable than those generally available to the public, with persons who are considered to be "related parties" as defined under Chapter 1 and 10 of the Listing Requirements.

The Company had on 20 April 2023, made an announcement to Bursa Securities on its intention to seek approval from its shareholders pertaining for the above-mentioned Proposed Shareholders' Mandate.

2. APPROVAL REQUIRED

The purpose of this Circular is to provide shareholders with details pertaining to the Proposed Shareholders' Mandate and to seek shareholders' approval for the resolutions to be tabled at the forthcoming AGM to be conducted virtually from the broadcast venue at Board Room, Ground Floor, #G08, Block 8, Danga Bay, Jalan Skudai, 80200 Johor Bahru on 28 June 2023, Wednesday at 10.00 am.

- (ii) the percentage ratio of such RRPT is 1% or more,

whichever is the higher.

3.6. Rationale for, and the benefit to, the Group for transacting with the Mandated Related Parties

The Group relationship with the Mandated Related Parties

The Mandated Related Parties are reputable in their respective business activities and are reliable suppliers of raw materials, goods and services required by the Group for its business. The raw materials, goods and services provided by the Mandated Related Parties are priced competitively and all transactions between the Group and the Mandated Related Parties are to be carried out on an arm's length basis and on terms not more favourable to the related parties than those generally available to the public. The raw materials, goods and services can also be obtained from the Mandated Related Parties even when short notice is given to them, in order to meet the tight deadlines of the Group.

Although the Group also sources similar raw materials and goods from third party(ies), they would like to seek shareholders' approval for the Proposed Shareholders' Mandate as the close co-operation between the Group and the Mandated Related Parties is expected to reap benefits to the business of the Group. Further, the Group can enjoy the lowest cost through bulk purchase arrangement with the Mandated Related Parties.

The benefit of the Proposed Shareholders' Mandate

The obtaining of the Proposed Shareholders' Mandate on an annual basis would eliminate the need to convene separate general meetings from time to time to seek shareholders' approval as and when the potential RRPT with a Mandated Related Party arises, thereby reducing substantially administrative time and expenses in convening such meetings, without compromising the corporate objectives and/or adversely affecting the business opportunities available to the Group.

The Proposed Shareholders' Mandate is intended to facilitate transactions in the normal course of business of the Group which are transacted from time to time with the Mandated Related Parties, provided that they are carried out on arm's length and on the Group's normal commercial terms and are not prejudicial to shareholders and on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders.

3.7. Review Methods or Procedures for RRPT

There are procedures established by the Group to ensure that RRPTs are undertaken on an arm's length basis on normal commercial terms and on transaction prices and terms not more favourable to the related parties than those generally available to the public, consistent with the Group's usual business practices and policies, and are not to the detriment of the minority shareholders.

The Group will implement the following procedures to supplement existing internal procedures for general transactions:-

- (i) A list of Mandated Related Parties will be maintained by IWCity to ensure that RRPT is required to be undertaken on an arm's length basis and on normal commercial terms and on transacted prices and terms not more favourable to the related parties than those generally available to the public and consistent with IWCity's usual business practices and policies;
- (ii) Sales or Purchases of the Group's products by or to the Directors and persons connected to Directors should not be on terms that are more favourable than those offered to employees and the public. Directors are required to notify the relevant Company Secretary of any direct sales to them and/or persons connected to them;
- (iii) The annual internal audit plan shall incorporate a review of material RRPT entered into pursuant to the Proposed Shareholders' Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to;
- (iv) The Board and the Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor RRPT have been complied with and the review shall be done annually together with the review of annual results;

- (v) The Board and the Audit Committee will review the procedures as and when necessary;
- (vi) Items with material value quotations will be taken to gather information to compare the price quoted by third party(ies) and related party(ies) for the purpose of determining the competitive market price of materials and goods. It is the Company's policy to purchase material or goods from related party(ies) when the prices are competitive with prices obtained from third parties. Other factors such as reliability of supply, delivery, services and quality of materials or goods will also be taken into consideration for evaluation purposes;
- (vii) Disclosures will be made in the annual report of the breakdown of the aggregate value of the RRPT during the financial year amongst others, based on the following information:-
 - (a) the type of the RRPT made; and
 - (b) the names of the related parties involved in each type of the RRPT made and their relationship with the listed issuer.

At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related party are fair and reasonable and comparable to those offered to/by other unrelated third party(ies) for the same or substantially similar type of products/services and/or quantities. In the event the quotation or comparative pricing from unrelated third party(ies) cannot be obtained, the transaction price will be based on business practices and policies and on terms which are generally in line with industry norms in order to ensure that the RRPT is not detrimental to the Company or its group of companies; and

- (viii) All RRPT will be reviewed in the following manners as per their level of authority :-
 - (a) RRPT with the value of below RM25,000 shall be reviewed by Head of Department and Executive Director/Chief Executive Officer; and
 - (b) RRPT with the value of RM25,000 and above shall be reviewed by a committee comprising of at least one (1) independent director or non-executive director within the Group of companies who is not also a director of KB and two (2) Senior Management Staff. The committee can approve the RRPT as long as the value of RRPT is within the mandate approved by shareholders.

3.8. Audit Committee's Statement

The Audit Committee will review the relevant RRPT and also review the established guidelines and procedures to ascertain that they have been complied with. Further, if during these periodic reviews by the Audit Committee, the Audit Committee is of the view that the guidelines and procedures as stated above are not sufficient to ensure that the RRPT will be done on the Group's normal commercial terms and on terms not more favourable to the related parties than those generally available to the public and will be prejudicial to the shareholders, the Company will revert to the shareholders for a fresh mandate based on new guidelines and procedures immediately, and in any case before the next transaction is entered into.

The Audit Committee has reviewed the terms of the Proposed Shareholders' Mandate, and is satisfied that the review procedures for RRPT, as well as the periodic reviews to be made by the Audit Committee in relation thereto, are sufficient to ensure that the RRPT will be made with the relevant classes of related parties in accordance with the Group on normal commercial terms and on terms not more favourable to the related parties than those generally available to the public, and hence, not prejudicial to the shareholders, nor disadvantageous to the Group and is not to the detriment of the minority shareholders.

The Company has in place adequate procedures and processes to monitor track and identify RRPT in a timely and orderly manner. The Audit Committee conducts the review of these procedures and processes from time to time, if necessary.

3.9. Amount Due and Owing to IWCity Group

As at LPD, there were no amounts due and owing to the IWCity Group under the Recurrent Related Party Transactions which exceed the credit terms.

FURTHER INFORMATION

1. RESPONSIBILITY STATEMENT

This Circular has been seen and approved by the Board of the Company who individually and collectively accept full responsibility for the accuracy of the information given and confirm that after making all reasonable enquiries and to the best of their knowledge and belief, there are no facts, the omission of which would make any statement here misleading.

2. MATERIAL LITIGATION

Save as disclosed below, none of the companies in the Group are engaged in any material litigation, claims or arbitration, either as plaintiff or defendant, which may have a material effect on the financial position of the IWCity Group and the Board of Directors has no knowledge of any proceedings, pending or threatened against the Group or of any facts which is likely to give rise to any proceeding which may materially or adversely affect the financial position or business of the Group.

(a) On 17 November 2020, the Company and its subsidiary, Tebrau Bay Constructions Sdn Bhd (“TBCSB”) received a Writ and Statement of Claim (“Claim”) filed by Tenaga Nasional Berhad (“TNB” or “the Plaintiff”) at the High Court. In the Claim, TNB alleged that the reclamation works undertaken by the Defendants in 2014 on Lot PTD 121257 Kampung Senibong have trespassed on the right of way (“ROW”) of TNB’s submarine cables. Another subsidiary, Tebrau Bay Sdn Bhd (“TBSB”) was included in the suit as a 3rd defendant on 5 December 2021. The Claim seeks amongst others, the following reliefs :

- Perpetual injunction order against the Defendants from carrying out any activities on TNB’s ROW without TNB’s permission;
- Damages of RM76,565,000;
- General damages against losses suffered by the Plaintiff and economic loss damage to be assessed by the Court, together with interest at the rate of 5% per annum from the filing of the suit till the date of full settlement; and
- Other damages, costs and reliefs which the Court deems fit and proper.

The Group has appointed a counsel to defend the claim. The Company and TBCSB had on 31 January 2021 and TBSB had on 13 July 2022 filed an application to strike out the Plaintiff’s suit (“Defendants’ striking out applications”). The Group’s defence, amongst others, is that at all material times, the reclamation works were carried out by independent contractors outside of the Plaintiff’s ROW, in accordance with plans approved by the Johor Bahru City Council since 2000. Further, the Plaintiffs have not provided any evidence of the nature, cause and quantum of the alleged damage to the submarine cables.

The hearing of three Defendants’ Striking Out Applications has been scheduled on 14 June 2023 and the directions in respect of the Discovery and Interrogatories Applications by the Company and TBCSB will be dealt with at the same date during the Defendants’ striking out applications’ hearing.

Due to the above, the Group is of the view that it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and has accordingly disclosed the details of the Claim as a contingent liability.

(b) On 29 March 2022, TBSB was served with a Writ and Statement of Claim by the Government of Malaysia (“the Plaintiff”), in respect of the outstanding income taxes pursuant to assessment notice for year of assessment 2015 issued by Inland Revenue Board for RM10,831,595 plus 5% per annum on the alleged claims, costs and other reliefs as the Honourable Court deems fit and proper to grant.

The said amount has already been fully provided for in the financial statements of the Company for the financial year ended 31 December 2021 except for any additional costs or interests granted (if any).

Following the Case Management on 21 March 2023, the Court has fixed a further Case Management on 9 May 2023 and the Hearing of TBSB's appeal against the decision made by the High Court is fixed on 23 May 2023.
